

Thea the

Clown or Mary has been entertaining children and their families for 15 years.

Her love for kids always shows through in her zany, but professional birthday parties. Artistic face painting, balloon creations, and the birthday child as the helper for the magic show are the client-favorites in her wacky one-hour program.

Clients You may choose from a variety of characters, to fit your needs. Thea can be booked to arrive in traditional clown makeup, or Mary can be booked to arrive in a festive, fun, non-clown character, or a special holiday elf character "Nutmeg".

An international performer, working with a clown team, Thea has excelled in bringing laughter through skits and songs from Chicago to far-away Moscow, Russia in 2001 and 2003, and later in Kampala, Uganda in 2005. She feels right at home performing in a variety of venues, including preschools, living rooms, block parties, grand openings and at community festivals, wherever a giggle is needed.
